Subject : Regarding display of Research report (Dissertation/Thesis) on Dept. website...

Sir / Madam,

Savitribai Phule Pune University (formerly University of Pune) Department of Physical Education runs Master of Physical Education (M.P.Ed.)/M.Ed. (Physical Education), M.Phil (Physical Education) and Ph.D. (Physical Education) courses/program. As a part of these degrees student has to submit Research report (Dissertation/Thesis) in print format.

Many students from this University and also from other Universities need to refer these past research reports, but it is difficult to visit department library and read those printed research reports and department also faces problem in accommodating all those students.

At present Department has its own website (www.unipunedpe.in) where in Research section only M.P.Ed./M.Ed. (Phy. Edu.), M.Phil and Ph.D. students list with their research title is available.

As per UGC guidelines and for the benefit of future researchers Departmental Committee has decided to display all the future research reports (Dissertation/Thesis) on Department website after successful completion of course/program.

Some of the past students have already submitted their soft copy of Research report (Dissertation/Thesis) in .pdf format. We will display the same file on the Department website. Those students who have not submitted their Research report soft copy in the Department can submit the same in .pdf format by E-mail: dpeadmin@unipune.ac.in

Looking for your support for the successful completion of this work.

Thanking you,

Yours faithfully,

Dr. B. R. Shejwal
Head of the Department

Copy to : **All the Research Guides,**
